

# WHY RED?

Experience the Red Travel Advantage

Our agency, Red Travel, is located in **Medina, OH**, but we have clients all over the country. When you visit our office, you will experience champagne appointments, watch videos, compare destinations and resorts, and be fully immersed in planning your vacation, destination wedding, honeymoon, or whatever other travel adventure you desire. We believe planning should be as much fun as the actual travel itinerary. Even if you are not able to come to our office, and we plan your travel over the phone, you will still experience the **Red Travel Advantage**.

We believe that all our clients deserve a **passionate client focus** from our Red Travel Team! You will find that we return phone calls and respond to emails promptly and prepare quotes in a timely matter. If our clients are traveling and need assistance, we will respond day or night—even if our offices are closed. We work for our clients 24/7. That is the **Red Travel Advantage**.

We want all our clients to return home with a **WOW experience**. We know that you may have saved for months—even years—for this vacation, and we want to WOW you. So we are very particular about what we recommend and promote. That is the **Red Travel Advantage**.

A Red Travel specialist is fully trained by travel suppliers and tour operators. We have first-hand experience by visiting the destinations and touring the resorts. If your agent has not been there, someone on the Red team most likely has, as we have over 50 years of combined travel experience. That is the **Red Travel Advantage**.

We are a fully functioning storefront travel agency, and we work as a team for our clients. What does that mean to you? That means we will take special care of you before, during, and after travel. If, for any reason, your travel specialist is not available when you need them, you will be able to reach someone else on our Red team to assist with questions or handle any issues that might arise during travel. That is the **Red Travel Advantage**.

You will find that working with Red Travel is ultimately the **best value**. Because of our relationships with resort managers, travel suppliers, and tour operators, we are often able to secure amenities, resort upgrades, or even the little extras that will enhance your travel experience. That is what we strive for, and that is the **Red Travel Advantage**.
